

# CIEM 2017

8<sup>th</sup> International Conference  
on Energy and Environment

19 - 20 OCTOBER 2017

## Energy saved today is asset for future

BUCHAREST - ROMANIA

**You are invited to participate in the 8<sup>th</sup> International Conference on Energy and Environment that will be held at Bucharest, Romania**

The International Conference on ENERGY and ENVIRONMENT (CIEM) is organised by the Academy of Romanian Scientists, Shanghai Academy of Science & Technology and University POLITEHNICA of Bucharest, in partnership with University of Ljubljana, "Gheorghe Asachi" Technical University of Iasi, and World Energy Council - Romanian National Committee.

The aims of CIEM is to respond to challenges in the rapidly developing fields of Power Engineering and Environmental Engineering, and to inspire both research studies and practical applications by promoting interaction among scientists from universities, research institutions, and industry.

Like the previous events, the conference will provide an ideal venue for the development of new partnerships. Therefore companies, institutes and universities are invited to participate to CIEM 2017!

We look forward to welcoming you to Bucharest.
